

## **Roadside Tolling for the I-10 Mobile River Bridge and Bayway Project: Pre-Proposal Conference on May 4<sup>th</sup>**

*Pre-Registration for event is required*

MOBILE, AL. -- The Alabama Department of Transportation (ALDOT) will be holding a Pre-Proposal Conference for the Roadside Tolling I-10 Mobile River Bridge and Bayway Project. This conference is mandatory for any firms or teams planning to submit a response to the RFQ/RFP posted April 13, 2023. The Project is located in Baldwin and Mobile Counties in southwest Alabama. The event is scheduled to take place on May 4, 2023 starting at 10:00 am and is a virtual only event. Activities will include project overviews and presentation. Pre-registration is required. The deadline to register is May 3<sup>rd</sup>, 2023 at 10:00 AM CT. A Microsoft Teams invite will be sent out after the registration deadline to all those who have registered.

The Project will consist of a Design-Operate-Maintain Agreement to develop, design, install, and operate a tolling infrastructure system on the I-10 Mobile River Bridge and Bayway Projects. Tolling back office operations and customer support centers are not included as part of this procurement.

During the forum, ALDOT and its advisors will provide an overview of the I-10 Mobile River Bridge and Bayway projects and the roadside tolling project, describe the progressive Design-Build delivery approach, and communicate the projects' procurement development timelines. ALDOT will answer written questions that have been submitted to ALDOT. The deadline to submit questions is April 26, 2023. ALDOT will not allow questions to be asked during the conference.
