

BMT-146 Bituminous Material Cert of Compliance (Producer Procedures)

The BMT-146 is the official ALDOT certificate of compliance that must be delivered with all liquid asphalt loads on ALDOT projects, as required by ALDOT-243. The following procedure gives step-by-step instructions for liquid asphalt producers to add a BMT-146 into CAMMS. Additional instructions for BMT-146 processing by ALDOT employees is covered in a separate procedure.

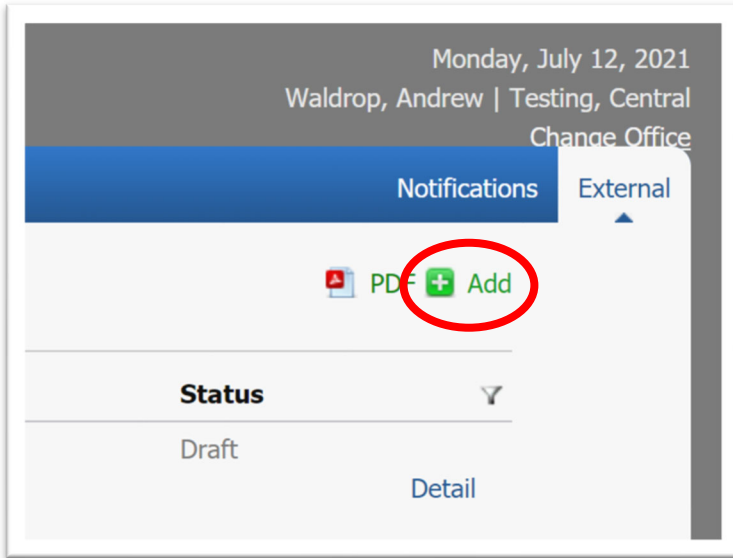

1. Open the CAMMS website (<https://cammsweb.dot.state.al.us/Account/Login>) and sign in to your account.
2. If the system does not automatically take you here, click on the “External” tab in the top right corner of your screen.

3. Click the “BMT-146 Bituminous Material Cert of Compliance” subprocess in the left frame.
 - a. NOTE: Not all subprocesses shown below may be visible on your screen.

4. Click "Add" in the top right corner to create a new BMT-146.

5. Enter the required information for a given load of asphalt. Fields with a downward triangle are drop-down menus; all other fields are manual entry.

A screenshot of a web form titled 'BMT-146 Bituminous Material Cert of Compliance Add'. The form contains several input fields, many of which are marked with a green asterisk to indicate they are required. The fields include: 'Bill of Lading No*', 'Company*', 'Consignee*', 'Destination County*', 'Shipment Date*', 'Transport No*', 'Net Weight (Lbs) of Load*', 'Gallons*', 'Time Loaded*' (with a pre-filled value of '08/16/2021 08:43 AM'), 'Loading Temp*' (with radio buttons for °F and °C), 'Material Grade*', 'Previous Load Grade*', 'Tank No*', 'Flash' (with radio buttons for °F and °C), 'Anti-Strip %', 'Brand', and 'Silicone?' (with radio buttons for Yes and No). A red callout bubble points to the 'Destination County*' dropdown menu with the text 'Drop-down menu'. At the bottom left, there is a note '*Indicates a required field' and 'Save' and 'Cancel' buttons.

Required fields are designated by a green asterisk

A close-up screenshot of the 'Bill of Lading No*' field. The text 'Bill of Lading No*' is displayed in a large, bold, black font, with a green asterisk to its right. Below the text is a large, empty rectangular input box.

6. Once all the required fields have been input, click the blue “Save” button at the bottom of the screen. Click the “Cancel” button to discard all data entered & return to the BMT-146 Summary screen.

7. Upon save, you will see a green check mark and “Success!”, indicating a successful record save.

8. The producer’s Certificate of Analysis should be uploaded to the BMT-146 as a PDF. To add a file, click the “Attachments” tab, then click the “Upload File(s)” link.

9. Click “Choose Files” to select the file(s) to be uploaded. A typical Windows dialogue box will open for you to locate on your computer the file to be uploaded.

- Enter a title for the document, and any necessary remarks. When completed, click the blue “Save” button to upload, or press “Cancel” to remove the file.
