All:

ALDOT SW Region and the City of Mobile are pleased to announce a MS4 Lunch and Learn for contractors, engineers and construction professionals featuring guest speaker:

**John Wolery, PLA of Grassworks** will be presenting BMP lessons learned from 20 years working on major ALDOT construction projects in the Birmingham area.

When? **Tuesday, August 29<sup>th</sup> from 11am -1pm**

Where? **ALDOT SW Region Office  
1701 I-65 West Service Road North  
Mobile, Al 36618-1109  
Building T**

**RSVP is required** to attend by email to [stormwater@cityofmobile.org](mailto:stormwater@cityofmobile.org) – seating is limited – on a first come first served basis.

**Attendance is limited to two (2) attendees per firm/entity (contractor, engineering firm or entity).** We will make a waiting list and will contact you if we have extra slots.

PDH certificates will be awarded for participants who attend the session and RSVP indicating they would like a certificate.

This event is free of charge. Thank you to our sponsors who make this event possible:  
**Alabama Pipe & Supply, ADS/Nyloplast, Forterra Pipe and Precast, & Sunshine Supplies.**

**Questions?** Email [stormwater@cityofmobile.org](mailto:stormwater@cityofmobile.org)

Sincerely,

ALDOT Southwest Region and City of Mobile
