RE: DEVELOPMENT TRANSIT ASSET MANAGEMENT PLAN UPDATE FY2020

The FY2020 Transit Asset Management Plan (TAM) update project has been completed. The project to update the plan was a coordinated effort with the public transportation stakeholders identified in this memorandum with the Alabama Department of Transportation (ALDOT) taking the lead role with the assistance of a consultant.

The updated plan is available [here](#) or you can go to the altrans.org web page Transit Resources dropdown and select ALDOT Documents where you will locate the updated plan.

The ALDOT is appreciative of your assistance and effort to complete this project. If you should have any questions or comments, please contact Mr. Randy Stroup at stroupr@dot.state.al.us or (334) 242-6760.
