

ALABAMA DEPARTMENT OF TRANSPORTATION
BUREAU OF MATERIALS AND TESTS
AGGREGATE CONTROL PROGRAM
CERTIFIED TECHNICIAN WARRANT

This warrant is meant to accompany a [BMT-136](#)

This document affirms that I, _____, am certified by
(Print Name)

Alabama Department of Transportation as a Certified Aggregate Technician.

This certification carries inherent rights and responsibilities. These rights include, but are not limited to, being exclusively sanctioned by Alabama Department of Transportation to perform sampling and testing of fine and coarse aggregates necessary to ensure a high standard of quality control. These responsibilities include the reporting of test results with accuracy and precision as expected of a Certified Aggregate Technician.

Abuse or neglect of these rights and responsibilities shall be penalized as recommended by the Working Task Force and approved by the Certification Board. The difference between neglect and abuse shall be intent and shall be determined by the Working Task Force. The first instance of neglect shall result in a thirty (30) day suspension of the Certified Aggregate Technician's Certification. The second offense of neglect shall result in a one hundred and eighty (180) day suspension. The first instance of abuse shall result in a one (1) year suspension. The second instance of abuse shall result in a permanent revocation of the Certified Aggregate Technician's Certification.

I have read and understand the rights, responsibilities, and penalties as they pertain to my duties. I further acknowledge that this warrant expires three years after the date issued.
