

ALABAMA DEPARTMENT OF TRANSPORTATION
PROCEDURE FOR EVALUATION AND MAINTENANCE OF

LIST I-4

PRODUCERS OF ASPHALT PRODUCTS

1. **Material:** Asphalt cement, cutback asphalt, asphalt emulsion, modified asphalt
2. **Specification:** Section 804
3. **Jurisdiction:** Product Evaluation Board, Bituminous (Liquid Asphalt) Section
4. **Job Acceptance Requirements:** See the appropriate sections of the Department's Testing Manual (Procedure ALDOT-243)
5. **Project Engineer's Responsibility:** The Project Engineer must insure that the provisions of Department procedure ALDOT-243 are executed and that all materials are from approved sources.
6. **Producer's Initial Requirements:**

Companies wishing to have sources evaluated for placement on this list should furnish the Department's Product Evaluation Engineer and the Departments Liquid Asphalt Manager with the following:

 - 6.1 Name and address of the company producing the product, including the physical address of the plant.
 - 6.2 Standard material safety data sheets for the product.
 - 6.3 Types of products produced at each location
 - 6.4 Read and follow the requirements of Department procedure ALDOT-243.
 - 6.5 Submittal fees and Product Evaluation Form are to be sent to the Product Evaluation Board and testing fees and inspection fees to the Liquid Asphalt Manager according to Department procedure ALDOT-355.
7. **Producer's Maintenance Requirements:**

Companies with products on this list will be expected to comply with all aspects of Department procedure ALDOT-243
8. **Laboratory Testing:** The Department will make selected verification test of the product to insure compliance with the Department's Specifications.
9. **The Contractor's Requirements:** The prime contractor will be responsible for purchasing and using only approved materials.
10. **Removal of Products:** Products may be removed from this list for any of the following:
 - 10.1 Failure to comply with any aspect of Department procedure ALDOT-243
 - 10.2 Failure to act satisfactorily on the job
 - 10.3 Any pattern of failing to produce specification material as shown by Department test results will result in further investigation and could result in removal of the facility.
11. **Correspondence:** All correspondence concerning this list should be directed to the following:
