

ALABAMA DEPARTMENT OF TRANSPORTATION
PROCEDURE FOR EVALUATION AND MAINTENANCE OF

LIST II-16

SLOTTED DRAIN PIPE

- | | | | |
|-----|---|------|--|
| 1. | <u>Material:</u> Slotted drain pipe | 7.4 | Notify the Department of any changes in production of the product. Any alteration that will change the product physically will require a reevaluation of the product. |
| 2. | <u>Specification:</u> Special drawing C. S. P. 532 | 7.5 | Furnish certified test reports covering all materials used in the construction of the pipe. |
| 3. | <u>Jurisdiction:</u> Product Evaluation Board, Certification Engineer | 8. | <u>Laboratory Testing:</u> The Department will check all data submitted for the product to assure compliance with the Department's Specifications. |
| 4. | <u>Job Acceptance Requirements:</u> No Job Control samples required if material works satisfactorily. Material must be from this approved list. Perform standard field inspection for pipe. | 9. | <u>Contractors' Requirements:</u> The prime contractor will be responsible for purchasing and using only approved products. |
| 5. | <u>Project Engineer's Responsibility:</u> Check and assure that the materials are on the approved list. | 10. | <u>Removal of Products:</u> Products may be removed from this list for any of the following: |
| 5.1 | Furnish certified test reports covering both metal and coating for corrugated metal pipe to the Certification Section of the Central Laboratory. | 10.1 | Mislabeling products or substitution of products other than those originally submitted. |
| 5.2 | Inspect all pipe according to Department Procedure ALDOT-330 | 10.2 | Failure to meet any of the Department's requirements for this type of material. |
| 6. | <u>Producer's Initial Requirements:</u>
Companies wishing to have products evaluated for placement on this list should furnish the Department's Product Evaluation Engineer with the following: | 10.3 | Failure to work satisfactorily on the job. |
| 6.1 | Name and address of the company producing the product | 11. | <u>Correspondence:</u> All correspondence concerning this list should be directed to the following:
Product Evaluation Board
Alabama Department of Transportation
3704 Fairground Road
Montgomery, AL 36110 |
| 6.2 | A standard shop drawing showing all dimensions, materials, and details used in fabrication of the pipe | | |
| 6.3 | Any available test data covering strengths and flow capacities of the finished pipe. | | |
| 6.4 | A sample of one-meter of the material | | |
| 6.5 | A field installation of the material may be required by the board to prove performance of the product. | | |
| 6.6 | Submittal and testing fees according to Department procedure ALDOT-355. | | |
| 7. | <u>Producer's Maintenance Requirements:</u>
Companies with products on this list must comply with the following to stay on the list: | | |
| 7.1 | Produce the same quality of material as the material supplied for the original evaluation. | | |
| 7.2 | Provide only approved products to Department projects. | | |
| 7.3 | Promptly report to the Department any changes in company name, product name, company address or company ownership. | | |
