PRODUCT EVALUATION PROGRAM
APPLICATION INSTRUCTIONS & GENERAL INFORMATION**

Product List/Categories: There are over 50 products lists available on the ALDOT Approved List of Qualified Materials, Sources and Devices. Please review ALDOT's [List of Qualified Materials, Sources and Devices](#) for similar products and determine the category that best applies to your product. If more than one category applies, please list the additional categories to be considered.

Each product list has requirements that are outlined in the respective Procedure for Evaluation and Maintenance. To review this document visit <https://www.dot.state.al.us/publications/Materials/PROCS.html> to ensure that all criteria is met for a complete product package submittal.

Associated Testing Fees*

Standard Testing Fees (ALDOT 355-88) <https://www.dot.state.al.us/publications/Materials/pdf/MSDSAR/ALDOT355.pdf>
Traffic Control Device Fees <https://www.dot.state.al.us/publications/Materials/pdf/MSDSAR/TestingFees.pdf>

***All fees must be paid by check or money order and made payable to the 'Alabama Department of Transportation'.**

Product Name/Model: Provide the name and model number/series of the product. Please complete one application per product. The name and model number should be the same identification used in the product package literature/marketing material.

Assigned Tracking ID: Tracking identification numbers are assigned to each product when the package is reviewed and considered complete for processing. If this product has been reviewed previously by ALDOT and has been modified/revised/removed, then please provide that assigned PEB number.

Product Description: Please provide a general description of the product. It should be brief, but match the description in the package literature/marketing material.

Primary Use: Briefly describe how the product is used.

Advantages: Briefly describe how the product would be beneficial to the ALDOT for usage.

Cost, Availability, and Warranty: Please provide an estimated cost of the product's cost. The estimate would not be an official quote.

ALDOT Build America, Buy America Act (BABA) Requirements Flowchart and Table:

<https://www.dot.state.al.us/publications/Materials/pdf/MSDSAR/BABAflowchart.pdf>

ALDOT Standard Specifications: If the product submitted meets an ALDOT specification(s), then please specify the section of the Standard Specifications. ALDOT Standard Specification can be found at <https://www.dot.state.al.us/publications/Construction/Specifications.html>

ALDOT Special Provision: If the product submitted meets an ALDOT Special Provision, then please specify the Special Provision number. ALDOT Special Provisions can be found at <https://www.dot.state.al.us/publications/Construction/Specifications.html>

Signature: All forms must be hand signed in order to be considered complete.

The new product evaluation procedure flow chart is available at:

<https://www.dot.state.al.us/publications/Materials/pdf/MSDSAR/productprocedure.pdf>

If there are any questions, please contact the Product Evaluation Engineer via email at ALDOTPEB@dot.state.al.us or by phone at (334) 353-6940.
