

NOTICE OF CANCELLATION
ROADSIDE TOLLING FOR THE I-10 MOBILE RIVER BRIDGE AND BAYWAY PROJECT
October 7, 2024

In accordance with Section 2.1 of the Request for Qualifications and Proposals, All Electronic Tolling, issued April 14, 2023, as amended by Addendum #1, issued May 22, 2023 (the "RFQ/RFP"), the Alabama Department of Transportation (ALDOT) hereby issues a Notice of Cancellation of the RFP.

ALDOT has determined that it is in the best interest of the State of Alabama and the I-10 Mobile River Bridge and Bayway project to not make an award at this time and is cancelling the RFP. At this time, ALDOT anticipates issuing a new RFP for the procurement of the project Roadside Toll Collection System in early 2026.

ALDOT reserves the sole right, without incurring any liability, to change any aspect of the proposed procurement described above, including the right not to proceed with the procurement and/or the right to proceed in a different manner or on a different timeline than as described above. Capitalized terms used but not defined in this letter shall have the meanings set forth in the RFQ/RFP. Nothing in this letter modifies or alters the terms of the RFQ/RFP, including ALDOT's reserved rights thereunder, and such terms shall remain in full force and effect.
