Re: Certificate of Insurance/ACCORD FORM 25

Pursuant to Alabama Code Section 32-9-29 and Administrative Code 450-3-1-.06, the following information is to be submitted when proof of insurance is required when obtaining certain oversized and/or overweight permits from the Alabama Department of Transportation.

Valid Certificates: The company name on the certificate of insurance must be identical to the company name on the permit orders and in the Hauler Database; this includes both Single Trip Permits and Annual Permits.

Vehicle Identification Number (VIN): Complete VIN(s) are required on the certificate of insurance when obtaining an Annual Permit. Partial VIN(s) will not be accepted.

What types of permits need a Certificate of Insurance? All Annual Permits, House moving Permits and single trip permits that exceed one or more of the following dimensions: over 14' wide, over 16' high, over 150' in length and over 150,000 lbs. gross weight.

Effective Dates: All certificates of insurance must have an effective and expiration date. The certificate expiration date must be a minimum of six (6) months from the policy effective date.

Annual Coverage Amounts: \$100,000-Bodily Injury (per person)

Auto liability only \$300,000-Bodily Injury (per accident)

\$300,000-Property Damage

If combined single limit policy, \$1,000,000 minimum is required

For Super loads the amounts may be higher

Original Certificate: This office requires an **Original** certificate of insurance to be typed and signed by an authorized agent. The **CERTIFICATE HOLDER** should read and be mailed to the following:
