TRAFFIC ADVISORY

Planned Lane Closures on I-65 NB and SB to perform Guardrail Repairs, in Shelby County

Shelby County—Weather permitting, beginning at 9 p.m. Monday, May 6th, the Alabama Department of Transportation will make guardrail repairs as follows:

- At various times, between 9 p.m. and 5 a.m., segments of the I-65 outside (right) lane will be closed at various locations, from Milepost 225.8 (Chilton County Line) to Milepost 248.3 (Jefferson County Line).
- All travel lanes will be re-opened to traffic by 5 a.m. each morning.
- The guardrail repairs will continue following this procedure for four (4) consecutive nights (Monday thru Thursday).

Motorists can expect delays during these operations. Motorists are also requested to consider using alternate routes, adjust arrival/departure times, observe work zone speed limits and other work zone signs, and use extreme caution in this area. ALDOT thanks motorists for their patience during this Maintenance Operation to improve Alabama’s roadways.

Motorists are requested to consider using alternate routes, adjust arrival/departure times, observe work zone speed limits and other work zone signs, and use caution in this area. ALDOT thanks motorists for their patience during this Maintenance Operation to improve Alabama’s roadways.
