HSIP-0053(591), DALE COUNTY

Access Management on AL-53 (US-231) from AL-123 to Deese Road

## PROJECT DESCRIPTION

The Alabama Department of Transportation (ALDOT), in collaboration with the Federal Highway Administration (FHWA), is proposing to improve traffic flow and address safety concerns by modifying access and reducing conflict points. The project will simplify and smooth the traffic flow along the corridor by modifying or removing a select number of driveways. The project will improve safety and reduce delays along US-231 (AL-53) from the intersection of Deese Road and the intersection of AL-123 in Ozark. It will also include new islands, pavement markings, and striping.
