**Access Management Improvements, including Turning Lanes on AL-5 (US-78) at Jones Dairy Road Jasper, Alabama**

The City of Jasper and the Alabama Department of Transportation (ALDOT) are proposing to make access management improvements with additional turn lanes, frontage road extension and island additions. Information about the project is available to the public for review and comment. Your comments may be provided by mail or email. Comments for the proposed project must be submitted by **January 23, 2023**.

The proposed project involves improvements to be performed to extend the existing frontage road, approximately 300 FT to the west, and install two (2) eastbound left turn lanes on AL-5 (US-78). Additionally, the frontage road connection to Highway 78 will be relocated slightly to the east to align with Jones Dairy Road. Highway 78 at Jones Dairy Road and the Full Moon BBQ driveways will be modified to directional rights.
