Bridge Replacement on AL-6 (US-82) over Big Creek

The Alabama Department of Transportation (ALDOT) is proposing improvements to AL-6 (US-82) at Big Creek in Northport, Tuscaloosa County, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **November 15, 2023**.

Project Description

The project proposes to replace the two existing narrow bridges over Big Creek with a single, wider bridge. Additionally, the intersection with Sam Sutton Road will be closed in order to accommodate the new bridge.
