Access Modifications along SR-3 (US-31) from CR-4 to CR-75 (McQueen Smith Road) and Installation of Green-T Signal at the Intersection of SR-3 (US-31) and CR-75 (McQueen Smith Road)

The Alabama Department of Transportation (ALDOT) is proposing to implement access modifications along AL-3 (US-31) and the installation of a green-t signal at the intersection of AL-3 (US-31) and McQueen Smith Road in Prattville, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, or online as described below. Comments for the proposed project must be submitted by **August 25, 2023**.

### Project Description

ALDOT is proposing access modifications along SR-3 (US-31) and the installation of a Green-T Signal in Elmore County, near Prattville. Improvements at this intersection will provide a smoother travel experience and will benefit the traveling public by providing a safer intersection for those using US-31 and McQueen Smith Road.
