Access Management on AL-21

The Alabama Department of Transportation (ALDOT) is proposing to improve access and alter turning movements along AL-21 near Jacksonville, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, or online as described below. Comments for the proposed project must be submitted by **June 23, 2023**.

Project Description

ALDOT is proposing to develop traffic operational/access improvements to improve/preserve capacity, reduce congestion, and improve safety near Jacksonville, Alabama. The area experiences high traffic speeds and crash incidents. Improvements at these crossovers and turning lanes will provide a smoother travel experience and will benefit the traveling public by providing safer access management for those using AL-21.

In-Person Public Meeting

An informal meeting will be held:

Tuesday, May 23, 2023
5:00 PM to 7:00 PM

Landmark Church
7390 McClellan Blvd
Anniston, AL 36206

Anyone with a disability requiring special assistance, should contact the Region office at the adjacent address or call (256) 234-8420 at least **five days in advance** of the meeting. The meeting facilities are wheelchair accessible.
