Intersection Improvements at SR-12 (US-84) and John D. Odom Road.

The Alabama Department of Transportation (ALDOT) is proposing intersection improvements at the intersection of US-84 and John D. Odom Road in Dothan, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **August 8, 2024**.

## Project Description

The major purpose for this project is for the Alabama Department of Transportation to improve traffic flow and address safety concerns, which will accommodate not only current traffic, but also, future traffic demands more efficiently and safely.
