### Project Description

The Alabama Department of Transportation (ALDOT) is developing an access management plan in Jasper, Walker County along the AL-5/AL-69/AL-118 (US-78) corridor that will preserve roadway capacity and maintain traffic mobility while reducing conflict points that degrade the roadway's safety performance. The project limits extend from the intersection of AL-118 and Gamble Road on the western end to the intersection of AL-5 and Hollis Crump Drive on the eastern end.

Access management along the corridor will include median opening closures, median opening relocations, driveway consolidations/closures, turn lane construction, turn lane extensions and roadway realignments. The study proposes 18 median openings to be closed, 91 existing driveways to be closed, and 23 other driveways to be modified.

### In-Person Public Meeting

An informal meeting will be held:

Tuesday, October 29, 2024

5:00 PM to 7:00 PM

[Northside Baptist Church](#)

[Fellowship Hall](#)

[500 Hwy 78 E](#)

[Jasper, AL 35501](#)

Anyone with a disability requiring special assistance, should contact the Region office at (205) 507-4487 at least **two days in advance** of the meeting. The meeting facilities are wheelchair accessible.

Comments on the proposed project must to be submitted by **November 15, 2024**.
