Intersection Improvements (Resurfacing, Turn Lanes, Lighting, Traffic Signals and Sidewalks) at SR-261 and CR-52E in the City of Helena

The City of Homewood, in conjunction with the Alabama Department of Transportation (ALDOT), is proposing operational improvements along SR-261 to address concerns regarding congestion and pedestrian accommodations.

Project Description

The proposed Scope of Work includes the following:

Widening of SR-261 to accommodate a center left turn lane from Roy Drive to CR-52 E

A segment will be added at the SR-261/CR-52E intersection to the west

Widening of CR-52E to accommodate a through lane

Addition of a right turn lane on southbound SR-261 at CR-52E

Re-align the existing sidewalk along the new western leg of the SR-261/CR-52E intersection
