Access Management and Turn Lane Realignment Along AL-12 (US-84) Near the AL-605 Intersection

The Alabama Department of Transportation (ALDOT) is proposing to improve traffic flow and address safety concerns by modifying access and reducing conflict points along AL-12 (US-84) in Dothan and Houston County. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, or online as described below and must be submitted by **September 26, 2025**.

Project Description

The purpose of the proposed project is to improve traffic flow and address safety concerns on this section of roadway in Houston County. The proposed work includes:

- Offsetting left turn lanes to improve safety and optimize signal timing.
- Redirecting traffic patterns to safer exit locations.

Online Only
