Improvements on AL-7 (US-11) in Springville

The City of Springville, in cooperation with the Alabama Department of Transportation (ALDOT), is proposing improvements along AL-7(US-11) to address concerns regarding flooding, edge of pavement drop-offs and congestion. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **Friday, October 23, 2026**.
