### Access Management on AL-12 (US-84) from CR-709 to CR-1

The Alabama Department of Transportation (ALDOT) is proposing to improve traffic flow and address safety concerns by modifying access and reducing conflict points along US-84 in Coffee and Dale County. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, or online as described below. Comments for the proposed project must be submitted by **March 7, 2025**.

### Project Description

The purpose of the proposed project is to improve traffic flow and address safety concerns on this section of roadway in Level Plains. The proposed work includes:

- Adding concrete islands in the median to restrict unsafe turning movements.
- Addition of U-turns lanes to provide access to the opposite side of the roadway.
