Roadway, Drainage and Sidewalk Improvements on SR-7(US-11)  
from New Talladega Rd to Wilson St.

*The City of Springville, in cooperation with the Alabama Department of Transportation (ALDOT), is proposing improvements along SR-7(US-11) to address concerns regarding flooding, edge of pavement drop-offs and congestion.*

## Project Description

The proposed Scope of Work includes the following:

- Installation of concrete culvert in the existing open ditch along the east side of SR-7(US-11), and replacement of open pipe driveway bridges
- Widen the roadway over the culvert to accommodate a center left turn lane
- Maintain or replace, as necessary, the existing sidewalk
- Right-of-way and easements are anticipated
