Improvements at AL-171, Temple Avenue South, and 11th Street SW

The Alabama Department of Transportation (ALDOT) is proposing improvements to the intersection of AL-171, Temple Avenue South, and 11th Street SW in Fayette, Fayette County, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **September 10, 2026**.

Project Description

The purpose of this project is to add a roundabout to control the three main legs of the intersection and add in the small city street that currently connects into the intersection at the northbound stop bar.

This project will add a roundabout to allow all four legs of the intersection to function as one unit and reduce the amount of conflict points and not against traffic flow access.
