AL-7 (US-11) Improvements

The Alabama Department of Transportation (ALDOT) is proposing improvements along AL-7 (US-11/Skyland Blvd) from AL-6 (US-82/McFarland Blvd) to east of Andrews Street and along AL-6 (US-82/McFarland Blvd) from I-20/I-59 to AL-7 (US-11/Skyland Blvd), Tuscaloosa County, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **July 31, 2026**.

Project Description

This project proposes turn lanes, traffic signal modifications, and access modifications along AL-7 (US-11/Skyland Blvd) from AL-6 (US-82/McFarland Blvd) to east of Andrews Street and along AL-6 (US-82/McFarland Blvd) from I-20/I-59 to the intersection of AL-7 (US-11/Skyland Blvd). These roadway and traffic signal modifications will help reduce traffic congestion through the corridor as well as improve traffic operations at intersections.

In-Person Public Meeting

An informal meeting will be held:

Tuesday, June 23, 2026
5:00 PM to 7:00 PM

Skyland Elementary School
408 Skyland E Blvd
Tuscaloosa, AL 35405

Anyone with a disability requiring special assistance, should contact the Region office at the above address or call (205) 507-4487 at least **two days in advance** of the meeting. The meeting facilities are wheelchair accessible.
