INTERSECTION IMPROVEMENT

**SR-10(Camden Bypass) & SR-28 (Broad St)
In Camden**

The Alabama Department of Transportation (ALDOT) is proposing an intersection improvement project at the intersection of SR-10 and SR-28. Information about this project is available to the public for review and comment. Your comments may be provided by mail, email, or online form as described below. **Your comments on the proposed project must be submitted by Thursday, June 16, 2022.**

Project Description

The purpose of this project is to replace the existing asphalt pavement with concrete pavement. A one-month off-site detour will be required during the construction of this project. The project will also include concrete median improvements, signing, and striping.
