Additional Lanes on AL-261 from Bearden Road to SR-3 (US-31)

The Alabama Department of Transportation (ALDOT) is proposing to widen AL-261 from Bearden Road to AL-3 (US-31) in Shelby County, AL. Information about the project is available to the public for review and comment. Your comments may be provided by mail, email, or voicemail as described below. Your comments on the proposed project must be submitted by **September 10, 2021**.

Project Description

The proposed project will widen AL-261 from a two-lane roadway with intermittent turn lanes to a five-lane roadway (four travel lanes with a center turn lane).
