Bridge repairs planned for I-59 Exit 183 in Attalla

HUNTSVILLE — The Alabama Department of Transportation advises motorists that the southbound bridge on Interstate 59 at Exit 183 in Attalla will undergo deck repairs beginning at 8 a.m. Tuesday, April 25, weather permitting.

Expect delays due to closure of the outside southbound lane between the off-ramp and on-ramp at the exit. The closure will remain in place for the duration of the work, which is anticipated to take about three weeks. Additionally, the on-ramp to southbound I-59 will be controlled by a stop sign. Motorists should be prepared to stop before merging.
