ALDOT project at Northern Boulevard and Jackson Ferry Road to begin Monday

MONTGOMERY, Ala. – An Alabama Department of Transportation intersection improvement project on Northern Boulevard and Jackson Ferry Road in Montgomery will begin Monday, September 19, weather permitting.

The project will include concrete pavement, traffic signs, and traffic striping.

Due to the work being done in the intersection, it will be closed throughout the project with a signed detour in place directing motorists on where to turn.

Eastbound motorists on North Boulevard that intend to the turn left on Jackson Ferry Road will instead exit at Lower Wetumpka Road, turn left on Lower Wetumpka Road and then left on Forbes Drive. Those intending to turn right on Jackson Ferry Road will exit at Sixth Street, take a right on North Court Street and a left on Jackson Ferry Road.

Westbound motorists on North Boulevard that intend to turn left on Jackson Ferry Road will exit at Lower Wetumpka Road, take a left on Lower Wetumpka Road, and a right on Michigan Avenue to South Forbes Drive. Those intending to turn right on Jackson Ferry Road will exit at Lower Wetumpka Road, take a right on Lower Wetumpka Road and a left on Forbes Drive.

All motorists turning on Northern Boulevard from North Jackson Ferry Road will utilize the Lower Wetumpka entrance ramps and those coming from South Jackson Ferry Road will utilize the Sixth Street entrance ramps.

Motorists should expect delays, plan accordingly, and be mindful of people and equipment in and around the work zone.

The approximately \$3.2 million contract was awarded to Grout Inc., based out of Hope Hull, Ala., who had the lowest bid that met project requirements. The project is expected to be complete by Summer 2023.

ALDOT's mission is to provide a safe, efficient, environmentally and economically sound transportation network across Alabama.
