

# ALDOT Coliseum Boulevard Plume

## Community Outreach Group Membership Nomination Form & General Information

Alabama Department of Transportation (ALDOT) facilitates a group of neighborhood representatives who serve as a Community Outreach Group (COG). The COG was formed as part of ALDOT's commitment to keep the local community involved and knowledgeable concerning the work being done on the Coliseum Boulevard Plume project.

The COG, established in early 2002, provides a link between the community and ALDOT and assists in keeping the local community informed about the project activities.

Attached please find a nomination form that you can use to nominate either yourself or a neighbor. We are looking for individuals to serve who either live or have specific interests in the following neighborhoods that make up the CBP area: Vista View, Chisholm, Eastern Meadows, or the Highland Gardens neighborhoods.

**Nominations for COG membership are welcome at any time.** The COG determines when the actual selection process will be convened; for example, when a position on the COG becomes open. A neutral panel will review the nominations to help ensure a community inclusive membership.

**Responsibilities of Membership:** COG representatives meet with project officers and technical consultants to learn about the ongoing project work and provide comments and questions from the community's point of view.

COG meeting frequency varies depending on the level of project activities. Meetings are generally held on Tuesday or Thursday evenings beginning at 5:30 p.m. and generally last between an hour and an hour-and-a-half. Membership is voluntary and there is no compensation for members.

Members receive monthly project updates and are encouraged to attend all public meetings concerning the project. Members names, addresses, and phone numbers will be posted on the ALDOT web page.
