

## SBE Policy Statement

- ◆The Alabama Department of Transportation (ALDOT) Small Business Element (SBE) was mandated as a part of the DBE program by U.S. Department of Transportation (US DOT) in accordance with 49 CFR Part 26.39.
- ◆The Alabama Department of Transportation Small Business Element (SBE) is a race neutral program designated to provide select contracting opportunities to small businesses on federally funded highway construction projects for qualified firms.
- ◆It is projected that SBE projects will have a dollar range of \$0 – 400,000.00.

*Your road to opportunity starts Here!*

## SBE Eligibility Requirements

- ◆To qualify as a Small Business, the firm's average annual gross revenue (as defined by 13 CFR 121.402) over the three previous fiscal years, shall not exceed 23.98 million.
- ◆The firms must be a pre-qualified prime contractor with ALDOT.

*ALDOT is meeting the need for tomorrow's Workforce!*
