CONSTRUCTION INFORMATION MEMORANDUM NO. 4-88

TO: All Division Engineers

FROM: William J. Hartzog  
Construction Engineer

*Wm J. Hartzog RAJ*

RE: Traffic Signal Inventory

The Department is presently conducting an inventory of all traffic signals located on the State Highway System as well as off system, Federal Aid Systems. The inventory will be used as an aid in planning, maintenance cost estimating, etc.

In order for the inventory to remain current, the data will need updating as new and/or upgraded signals are installed on construction projects.

Upon completion of the traffic signal work on all current or future projects, the Project Engineer should advise the Division Traffic Engineer, so that the inventory may be adjusted accordingly.

Your cooperation in this matter will be appreciated.

## INTERDEPARTMENT MEMORANDUM

STATE OF ALABAMA HIGHWAY DEPARTMENT

1409 COLISEUM BOULEVARD MONTGOMERY, ALABAMA 36130

DATE: February 25, 1988

TO: Mr. W. J. Hartzog  
Constuction Engineer

FROM: J. F. Caraway *JFC*  
Chief, Design Bureau

RE: Computerized Traffic Signal Inventory

The Department is presently conducting an inventory of all traffic signals located on the State Highway System as well as off-system, federal aid systems.

The inventory when completed will be computerized, and maintained in file for those who will make use of it for planning, maintenance cost estimating, etc.

In order for the file to be updated as new signals are installed and/or upgraded on construction projects this office must be advised of the change.

It is requested that the Construction Bureau through its organization advise the Division Traffic Engineer of final acceptance of a project in order that he may proceed to secure the necessary documentation.

Your cooperation in this matter will insure the continued updating of the signal inventory in an orderly fashion.
