REFERENCE: Appropriations Act Project Funds

On March 15, 2019, President Trump signed into law the Appropriations Act of 2019. Of the many items contained in this bill, the transportation portion gave Alabama \$10,097,088 in federal funds to be used for MPO projects. The MPO's share of these funds are \$ and are based on the federal STP formula which uses population as a basis of distribution for the TMA's. You should anticipate seeing these funds show up on future Urban Area Funding Availability Reports on the FY Special Allocation field.
