Transportation Director

September 22, 2021

### MEMORANDUM 2021-13

TO: County Engineers  
Region Local Transportation Engineers

FROM:

  
Bradley B. Lindsey, P.E., State Local Transportation Engineer

RE: Salary Scale for State Participation for County Engineers and  
Assistant County Engineers Salaries

Attached you will find the new salary scales to be utilized for the State's participation in the salaries of County Engineers and Assistant County Engineers (PE & EIT). The new salary scales are effective October 1, 2021 and are the result of the two percent cost of living (COLA) adjustment passed by the State legislature in the 2021 regular session. This change will not result in an increase in salary but may result in an increase in the State's participation.

The salary scale for County Engineers is based on the Professional Civil Engineer II, Sr classification (State Pay Grade 0086). The salary scale for Assistant County Engineers is based on the Professional Civil Engineer I classification (State Pay Grade 0082).

The Department will continue to participate at a level of 70% of the County Engineers' actual salary up to the revised maximum of the Professional Civil Engineer II, Sr classification. We also participate at a level of 50% of the Assistant County Engineers' salary up to the revised maximum of the Professional Civil Engineer I classification.

Any County Engineer or Assistant County Engineer whose salary exceeded the previous maximum has had the State's participation recalculated as shown on the attached Salary Reimbursement Letter (if applicable). Please ensure that any salary reimbursement Claim for Refund for service dates October 1, 2021 reflect the new amounts.

As a reminder, the State will not automatically revise State participation for any changes in salary approved by the County unless we are notified. Therefore, we request that each County Commission submit a written request for State participation that includes the annual salary and

effective date of their County Engineer and Assistant County Engineer whenever there is an actual change in salary.

Please review the attached Salary Reimbursement Letter (no letter will be attached if no revision in State participation was required) and contact this office if you should have any questions or comments concerning this matter.

BBL/po
