

ALABAMA DEPARTMENT OF TRANSPORTATION
PROCEDURE FOR EVALUATION AND MAINTENANCE OF

LIST I-18

Material Remixing Devices

1. **Device:** Material Remixing Device (MRD), capable of receiving bituminous plant mix from a delivery vehicle, reblending and remixing, then conveying a homogenous, non-segregated mix into the paver.
2. **Specification:** Subarticle 410.03(a)3; ALDOT Procedure 424
3. **Jurisdiction:** Product Evaluation Board, Construction Bureau (Lead), and M&T Bureau
4. **Job Acceptance Requirements:** NA
5. **Project Manager's Responsibility:** Check and assure that the MRD to be used by the contractor is currently shown on List I-18.
6. **Producer's Initial Requirements:** Manufacturers wishing to have an MRD evaluated for inclusion on this list must submit the information required by ALDOT Procedure 424 to the Product Evaluation Board. Part of this submittal will include identifying a construction project on which a field evaluation will be conducted, along with the contractor who will operate the MRD during the evaluation.
7. **Manufacturer's Maintenance Requirements:** Manufacturers with an MRD on this list will be expected to comply with the following to remain on the list:
 - 7.1 Produce the same quality and composition of MRD as supplied for the original evaluation.
 - 7.2 Provide only approved MRDs to Department projects.
 - 7.3 Promptly report to the Department any changes in company name, product name, company address, or company ownership.
 - 7.4 Notify the Department of any changes in production of the MRD. Any changes that modify the remixing mechanisms or methodology will require a reevaluation of the MRD.
8. **Contractor's Requirements:** Contractors will be responsible for utilizing a make and model of MRD shown on the approved list.
9. **Removal of Devices:** MRD may be removed from this list for any of the following:
 - 9.1 Mis-labeling or alterations/modifications to MRDs other than those originally evaluated and approved.
 - 9.2 Failure to comply with any of the Department's requirements for MRDs.
10. **Correspondence:** All correspondence concerning this list should be directed to:

ALDOT Product Evaluation Board
