**Additional Lane and Bridge Replacement on I-65 from AL-3 (US-31) North of the City of Calera to South of Buck Creek in the City of Alabaster**

The Alabama Department of Transportation (ALDOT) is proposing to widen I-65 between the Cities of Calera and Alabaster in Shelby County, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **Friday, March 29, 2024.**

### Project Description

*Three projects are proposed to add a travel lane to the northbound and southbound roadways of I-65 between the Cities of Calera and Alabaster. The construction of the additional lanes will be accomplished by widening towards the median. Three sets of bridges along the route will also be widened to match the roadway. Once completed, this section of I-65 will be a six-lane facility with three lanes in both directions.*
