Subject: Annual Inspection Report
Craig Field Airport

Dear Mr. Corrigan:

An inspection of the Craig Field Airport was conducted by personnel of the Alabama Department of Transportation Aeronautics Bureau on November 29th, 2022. The purpose of the inspection was to update the information currently on file regarding the airport and to ascertain compliance with the rules and regulations of the Alabama Department of Transportation governing licensed public-use airports within the State of Alabama.

Attached you will find a copy of the Annual Inspection Report. As noted in the report, the airport meets the requirements for the issuance of an operating license. However, there are some maintenance items that should be addressed as soon as possible. The license is being issued with no restrictions. A signed license document will be mailed separately within several weeks.

If you should have any questions concerning the inspection or corrective actions, please do not hesitate to contact Mr. Jason Hare with the Aeronautics Bureau at (334) 353-6223

Sincerely,

Frank Farmer
Chief, Aeronautics Bureau
