### TECHNICAL MEMORANDUM 94-05

To: Testing Manual Users

From: Larry Lockett *Larry Lockett RLW*  
Materials & Tests Engineer

Re: Section 301, Acceptance Sampling and Testing Schedule

Please be advised that the above referenced portion of the Testing Manual was revised on September 12, 2005. The revision is a note placed in the remarks column of the above referenced section and reads as follows:

"If used for driveways, crossovers, widening, tapers, shoulders, and around mailbox posts testing is waived."

A copy of the revised section may be viewed in the electronic version of the Testing Manual available through the ALDOT homepage at:
